## Putting a face to the voice

Intercom 2.0 introduces new ways of communicating. Intercom Video helps you get the picture in extraordinary situations even faster and more clearly.

## Powerfully robust

Carefully selected, durable materials protect these Help Point Columns against any form of physical violence, no matter if it's just a prank or premeditated vandalism.

## Works under all conditions

Dust, rain, frost, snow or heat – our Help Point Column comes fully prepared for any weather condition.

## HD Audio quality

Intercom 2.0 supports communication in brilliant 16 kHz audio quality. This is vital in challenging situations where every word counts.

## Powerfully helpful

The optional induction loop amplifier is the direct audio-link to hearing aids. Thanks to this, our help points offer people with a hearing impairment optimal voice quality and intelligibility.

## Powerfully reliable – 24/7

99,998 % availability around the clock.

# Commend

## A Strong Network | Worldwide

When every second counts, people need a technology that does not just work, but is one hundred per cent reliable – anywhere, anytime around the clock. At Commend, we are aware of our responsibility. That is because millions of

people put their trust in us and our products every day. Whether at a London tube station, a car park in France or a hospital in the United States; because every word counts, everything speaks in favour of solutions by Commend.
